Filing Date: September 25, 2003

Docket No.: P100-42-03

COMMISSIONER FOR PATENTS

P.O. Box 1450

Alexandria, VA 22313-1450

Sir:

Following a status inquiry to the Office of Petitions, we have learned that the Petition for Revival that was filed via fax transmission to the USPTO at (571) 273-8300 on March 11, 2006 was not properly processed into the USPTO document system. The fees portion of the communication was processed, but the **Petition** portion was not. Following this cover letter is a copy of the Petition and the USPTO Auto-reply fax. As you can see from the certificate of transmission, the communication was sent to the USPTO on March 11, 2006. Note that I am marking out the fee portions of the communications to avoid double payment thereof, as the fees for this Petition, as well as the issue fees, have already been received by the USPTO.

Respectfully submitted,

Michael D. Carter
